I hereby agree on this ____ day of _____ to breed the mare, _____ with registration number _____, to the stallion, Show Stop N Spook, AQHA Registration # 5329344, APHA Registration # 993591 using frozen, transported semen for the 2021 breeding season.

1. The stallion fee for frozen transported semen is 1100 €, of which 550 € is a non-refundable booking/frozen collection fee which is payable upon execution of this contract. Remainder of the stallion fee (550 €) is due ten (10) days prior to shipment. We will grant six [6] doses per year, per breeding fee; three [3] doses per shipment.
2. A copy, both sides, of the registration papers on your mare must accompany this contract. The owner recorded on the registration certificate will be the owner recorded on the stallion breeding report.
3. **A request for a shipment of frozen transported semen must be made to Anne Svensson at least 10 days before the shipment is required. Counter to Counter shipments are available. All shipping expenses incurred are the mare owner's responsibility and paid directly to Kerstin Darenius (the semen agent). All stallion fees must be paid prior to authorization of a frozen semen shipment.**
4. Breeding season exists February 1st through August 31st 2021.
5. This contract contains a "Live Foal Guarantee". A live foal is described as a newborn foal which stands and nurses without assistance. If a foal is born dead, or the mare absorbs/aborts a predetermined pregnancy there are return privileges, only if the Stallion Manager is notified within thirty (30) days and receives a statement confirming this. **A "Live Foal Guarantee" will apply only to those mares that are certified in foal by a licensed, attending veterinarian. Confirmation of such pregnancy in the form of documented ultrasound picture or letter from the attending veterinarian must be received by October 1 of the breeding year or the mare will not be included in the Stallion Breeding Report.**
6. If the mare absorbs or aborts a pregnancy after having been pregnancy checked in foal, or if the mare fails to conceive during normal breeding season, the Stallion Manager agrees to breed the same mare again during the immediately following year's breeding season. The charge then is 550 € for the re-breed service expenses to pay before the mare is re-bred. A substitute mare, accepted by the Stallion Manager, may be used ONLY if the original mare is deceased or deemed unfit for breeding by an accredited veterinarian.
7. A Breeder's Certificate will be issued for the foal conceived as a result of the breeding. The Breeder's Certificate will be issued only after all expenses have been paid in full and after the foal is born and has been reported to the Stallion Manager.
8. Neither Svensson Ranch nor any of its members or employees shall be liable for damages as a result of damage to the semen or as a result of the mare failing to settle. Svensson Ranch's sole liability under this contract is in the event the stallion should die or become unfit for breeding purposes this contract shall terminate and any money paid on the stallion fee, except the non-refundable booking fee, shall be refunded to the Mare Owner.
9. When signed by both parties this document will become a legally enforceable contract, binding upon both parties. The parties acknowledge that this agreement shall be entirely governed by, construed and enforced under the laws of Sweden.
In the event that there is any dispute, all disputes of every kind between the parties to this agreement shall only be submitted to arbitration and any award made by the arbitrators shall be considered final and binding.
